May has been an eventful month. From the 7th-11th our staff pulled together some activities for the “Feel Good Festival” during Mental Health Week. We had a paint night, youth nature walk, a women’s sharing circle, and a youth pizza night. We ended this week with a feel good dinner, followed by an evening of comedy and music.

As summer approaches our programs and activities will continue. We encourage everyone to sign up for the activities. Sign-up sheets are provided at every community dinner.

If you cannot make it, you can call the health centre of the band office for details on upcoming events and activities for the month of June.
