NEWS!

October has been an eventful month. Over 70 people came out to the 2nd Annual Community Harvest at Racine Lake. There was something for everyone from archery lessons to sagabon (traditional goose cooking).

Thank you to everyone who came, participated, and helped out. Special thanks to our Peggy, Alain, and Samantha who prepared the delicious meals.

Also this month, construction has begun on Dr. Doris Mitchell's clinic. We are excited to see this project move forward and have these services available to band members.

In November, we will hold our Annual General Meeting, honour our veterans, and prepare for Christmas with crafts and a shopping trip to Timmins.

Also, don't forget to change your clocks back one hour on November 5th as Daylight Savings time ends.
