ESSENTIAL SERVICES ONLY

UPDATE

June 24, 2020

Effective Wednesday, June 24, 2020, Chapleau Cree First Nation offices will remain closed to the general public and continue to provide **ESSENTIAL SERVICES ONLY** to our members and business associates. This decision was made to continue to ensure the safety of both our employees and the community at large and will remain in effect until August 10, 2020.

Chapleau Cree staff will be available by phone, email, and other forms of communication during regular business hours. For your safety and that of our employees and community members, we ask that you do not visit our office during this time. Should you feel that you have an emergent matter, please call our office to arrange an appointment with the appropriate staff. A Chapleau Cree First Nation travel band is already in place for all staff.

Additionally, a social circle restriction of 10 people has been imposed to each residence in the Chapleau Cree First Nation community. All meetings, events and activities are cancelled until further notice.

Our Councillors will continue to keep abreast of the current COVID 19 Pandemic and will meet as necessary to review operation planning for Chapleau Cree First Nation. We ask for patience during this time. I can assure you that we are doing everything possible to assist and support our community, keeping safety and security as our primary concern, while we navigate this difficult time together.

As this situation evolves, we will continue to keep you informed to the best of our ability. Please continue to see our website at www.chapleaucree.ca for further information and updates.

Chief Keith Corston.
