*In response to COVID-19, Service Canada has launched a number of new virtual e-services to continue to provide support to individuals who need assistance to access benefits and services from their home.*

### **eSIN Portal (Social Insurance Number) Services**

<https://www.canada.ca/en/employment-social-development/services/sin/apply.html>

The Social Insurance Numbers (SIN) is essential for accessing government services and benefits. Through the eSIN portal, individuals can submit a SIN application entirely online within a secure and protected environment.

### **eServiceCanada (Request Call-Back for Help)**

<https://eservices.canada.ca/en/service/>

Additionally, the eServiceCanada portal allows individuals requiring assistance from Service Canada to submit an online request and receive a callback from a Service Canada officer within two business days.

This service covered a wealth of services available. We strongly encourage any members to make use of this call-back service to seek the assistance they may require in accessing services online.
