# Introducing the **Indigenous Language Revitalization (ILR) CLASSES** *with the Moose Cree (L-Dialect) for Adults*

Moose Cree is a severely endangered dialect of Cree. It has very few fluent speakers and revitalization is the conscious effort to save the language from falling out of use for generations to come.

The weekly classes are focused on helping people build their vocabulary and conversational skills. Classes will consist of casual conversation with other learners and fluent speakers on a variety of topics.

**No prior knowledge of or fluency in Cree is necessary. All levels of fluency are encouraged to join!**

**Easy and friendly learning groups via ZOOM.**

Weekly resources: Word of the Day & infographics, virtual flashcards, lessons and worksheets.

**NEW! Beginner Cree Syllabics Classes offered on Monday Evenings @ 6:00 PM**

**<https://westernuniversity.zoom.us/j/98525055521>**

The new beginner classes will use a syllabics-only approach, meaning this is the only alphabet we will see and use in our activities. The structure will be very similar to our beginner classes along with basic pronunciation, grammar rules, and some vocabulary.

**Weekly ILR Intermediate Classes offered on Wednesday Evenings @ 7:00 PM – 9:00 PM**

**<https://westernuniversity.zoom.us/j/98824871041>**

Indigenous Language Revitalization (ILR) is an organization created to keep the Moose Cree "L-Dialect alive. The zoom classes are hosted by ILR Lead, Terrance Sutherland, a member of the Moose Cree First Nation and ILR Coordinator, Ricki Archilles, Ph.D. Candidate, University of Western Ontario both residing in Kapuskasing, ON and other co-host speakers of the L-Dialect.

# Sewing Machine Basics Teaching Workshop for Youth Females Ages 12-18 years old Wed., July 7, 2021 | 6:00 PM @ Health

Want to sew but don't know how?

*Do you plan on using CCFN Health's sewing equipment in the future?*

Need a refresher on all of the basics?

**Come learn about sewing machine:** safety, terms, parts, functions, care, and maintenance. Choosing the correct needle and thread will go a long way in caring for the machine and reduce thread/bobbin jams.

All sewing machine models are similar in function, and every user **must** know the basics on how to use and care for it before and after each use.

*All the participants attending this workshop will complete a sewing craft.*

These workshops are **MANDATORY for EVERYONE** interested in using CCFN Health Centre sewing machines.

*More workshops for various ages/genders will be offered in the near future.*

**To register, please call the Health Centre at 705-864-0200 as space is limited.**
