

Counsellor - North Clinic**Location : Wawa or Chapleau (with regular travel between the sites)****Full-Time**

Seeking a **full-time Counsellor** to work as part of an interdisciplinary primary health care team and deliver brief, consultation-based counselling services to clients of **Chapleau Cree First Nation, Brunswick House First Nation, Chapleau Ojibwe First Nation and Michipicoten First Nation.**

Under the direction of the Integrated Care Manager, the Counsellor will provide counselling services to adults, youth, children and families using a strengths-based, trauma-informed approach through one on one, group and/or team based delivery.

By joining our team, you will work for a dynamic organization well known and recognized for its innovative programs and services. We value our employees and strive for a quality workplace environment that provides lifelong learning, growth and well-being. Become part of an organization that provides:

- ✓ Competitive salary and comprehensive health care benefits
- ✓ HOOPP pension plan
- ✓ Professional development opportunities including individual PD budget and leave allowance
- ✓ Employee and Family Assistance Program (EFAP)
- ✓ Supportive and friendly work environment
- ✓ Opportunity to participate in exciting research projects

Qualifications:

- A Master's Degree in Social Work (MSW/RSW) or Registered Psychotherapist (RP) preferred, however a Bachelor of Social Work (BSW/RSW) with a minimum of 3-5+ years clinical experience and demonstrated proficiency with a variety of therapeutic intervention and assessment skills may be considered
- Must be member in good standing with the Ontario College of Social Workers and Social Service Workers
- Three to five years' work related experience
- Experience working with youth and young adult populations
- Certification in Cognitive Behavioural Therapy, Mindfulness, Harm Reduction, Trauma Informed and Behaviour Modification are assets.
- Knowledge of multi-service, inter-professional teams and collaborative professional practice
- Demonstrated experience in relationship and partnership development, networking
- Comprehensive knowledge of Indigenous history and the impacts on health/mental health
- Experience working with Indigenous populations
- Excellent communication, interpersonal, analytical and problem solving skills
- Demonstrated competence in conflict resolution and organizational skills
- Must be self-directed, resourceful and possess critical thinking skills
- Willing to work flexible hours as required
- Regular travel between sites/communities is required (agency vehicle is available)
- Possess a valid driver's licence, safe driving record as demonstrated in a driver's abstract and access to a reliable vehicle
