

## Chapleau Cree First Nation Health Centre

# Memo

**To:** Chapleau Cree Fox Lake Residents

**From:** Tracy Martin, Healthcare Coordinator

**cc:**

**Date:** March 30, 2020

**Re:** Call for Volunteers - Covid-19 Pandemic

---

We are reaching out to our community members for help.

We are looking for volunteers who are not immunocompromised and who have not travelled or been in contact with anyone who has travelled recently and who have no symptoms.

Your help is needed to run errands for our Elders and others who are under precautionary self-isolation.

Errand run days will be Tuesdays and Thursdays.

Please email [Health.Reception@chapleaucreehealth.ca](mailto:Health.Reception@chapleaucreehealth.ca) with your name, home phone, cell and email address if you are interested.

Thank you

A handwritten signature in blue ink, appearing to read "Tracy Martin".
