### **Closure of Mushkegowuk Offices - Moose Factory & Moosonee**

Fort Albany  
First Nation

Please be advised our offices in Moose Factory & Moosonee will be closed effectively immediately to the public.

Moose Cree  
First Nation

Our staff will be going in Monday morning to collect their work equipment/supplies and will be working from home thereafter.

Taykwa Tagamou  
Nation

We understand this creates some challenges in the services we provide. Please allow us time to organize and we will provide information on how to contact our staff on our Facebook page and website

### **Timmins Office open with limited access to public**

Our Timmins office will remain open with limited access to the public, meaning our guests are highly encouraged to meet with our staff virtually or by telephone, If not able to do so, our guests will be encouraged to make appointments with our staff and they will be met in a designated meeting room.

Missanabie Cree  
First Nation

- Guests will be provided with masks and hand sanitizer

The information stated above, will be reassessed weekly (Fridays) and any changes will be posted to our Facebook page and website

Let us work together to keep each other safe and of good health.

Please continue to practice the public health measures

- Wash your hands often (with hand soap or hand sanitizer)
- Keeping six feet (2 metres) away from others (social distancing)
- Disinfect frequently touched surfaces often
- Coughing into your sleeve
- Wear your masks or face coverings when you cannot keep six feet (2 metres) away from others and in public spaces
- If you are feeling unwell with symptom(s) of COVID-19, please stay home and call your local public health unit

Meegwetch and Stay Safe

Ernest Beck, Executive Director
