What is the **Indian Boarding Homes Class Action**?

In the 1950s, the **Indian Boarding Homes Program** placed First Nations and Inuit children in private homes for the purpose of attending school. **This Settlement provides compensation to people placed in these homes.** You are a Primary Class Member if Canada placed you in a private home, between **September 1, 1951 and June 30, 1992**. You may still be eligible if you were placed after June 30, 1992. People who were placed in private homes, but **died on or after July 24, 2016**, may also be eligible, and their estate can apply on their behalf.

How can I know if I am eligible?

You can use the eligibility checker available on the Indian Boarding Homes Program Class Action website at: **<https://boardinghomesclassaction.com/eligibilitychecker>**

When can I apply?

You can start applying for compensation starting **Wednesday August 21, 2024**.

How can I start my Application?

Starting on August 21, 2024, you can visit the website **<https://boardinghomesclassaction.com/>** to find the claim forms. You can submit claims online, or by downloading and mailing it to the Administrator.

What if I don't want to participate?

If you want to sue Canada on your own for your placement in the Indian Boarding Homes Program, you must Opt-Out. You will need to submit an **Opt-Out form** before the expiry date of **Monday July 22nd, 2024**.
