St. John's (Anglican) Indian Residential School Survivors Initiative Update

Monday, August 26 2024

As an Initiative, we had been impacted by an announcement made by the federal government regarding the continued funding of investigations into missing children and unmarked burials linked to Indian Residential Schools. The announcement came in July 2024, revealing an **imposed a cap which reduced the eligibility to receive continued federal funding by -83%**.

As of August 16, 2024, Canada announced that they have reversed this decision and lifted the \$500,000 funding limit. During this time, the St. John's Residential School Initiative had planned to host a three-day IRS Survivor & Intergenerational Survivor's Gathering in Chapleau Cree First Nation in September 2025. This gathering has been rescheduled to **Spring 2025**.

Instead, the Initiative will host a smaller, more focused Survivor Working Circle meeting with IRS Survivors in the three communities of Chapleau Cree FN, Chapleau Ojibwe FN, Brunswick House FN, and surrounding area. As always, all IRS survivors and families of IRS survivors, including those who attended St. John's, and other Indian Residential Schools, are invited. Please connect with Community Coordinators or Leads of the St. John's IRS Initiative to express if the timing of November 2024 would work for you (virtual options available).

Additionally, a one-day event in honour of National Day of Truth and Reconciliation will be hosted at the Chapleau Recreation Centre on Friday September 27, 2024. This event is a collaboration in planning between Maamwesying North Shore Community Health Services, Weecheetowin Support Services (formerly Ontario Indian Residential School Survivor's Society), Mishkiki Chichakk Kamik, and the St. John's IRS Initiative.
