REMINDER !

HRV Maintenance

Individual Notices have gone out— **One Source** will be servicing HRV systems in all the rental homes to make sure that they are ready for winter. This is mandatory maintenance for all CCFN tenants.

They will be on reserve July 28th and 29th, and then later in August to complete any that were missed.

A Public Works employee will be with them to facilitate entry. If you can't be home, please make sure that any dogs are leashed or in kennels.

I'd like to thank everyone for their patience and cooperation with the disruptions.

If you have any questions, please contact me at
